LinkedIn | GitHub | Facebook | Portfolio

---

I am enthusiastic about problem solving and have four years of experience in competitive programming. I have a strong work ethic, which makes me a hard worker, punctual, and responsible towards my work. Now I am looking for an opportunity in the field of software engineering to apply and develop my skills.

## EDUCATION

---

- **International Islamic University Chittagong**  
B.Sc. in Computer Science and Engineering

**CGPA 3.826 out of 4.00**  
April 2019-June 2023

## ACHIEVEMENTS

---

- Represented my university at **2022 ICPC ASIA DHAKA REGIONAL CONTEST**
- **4th Place** | EDU Inter University Engineering Day 2022 Programming contest (**Divisional**)
- **Champion** | IIUC Intra-University Programming Contest Autumn 2022
- **Champion** | IIUC Intra-University Programming Contest Autumn 2021
- **1st Runners-up** | IIUC Intra Department Programming Contest (Senior)
- **2nd Runners-up** | IIUC CCE Fest Intra Department Programming Contest 2022
- **5th Place** | IIUC CSE FEST 2022 Tech Olympiad

## ONLINE JUDGE's ACTIVITY

---

- Achieved **SPECIALIST** rank in Codeforces with max rating of **1488**
- Participated in more than **200 online programming contests** in different online judges
- Solved **2200+ problems** ( **Codeforces, Codechef, AtCoder, Leetcode, LightOJ, Uva, CSES, VJudge** )

## ACADEMIC PROJECTS

---

- **Library Management System** using **JAVA Swing** and **ORACLE** database  
A desktop app for libraries where you can borrow and return books with a history of both students and books  
This app has some complex searches, which are the result of complex database queries.
- **Student Data Management** using **Qt** and **SQLite** database  
A desktop app where you can manage student information. Here, basic CRUD operations are implemented
- **Personal Expense Tracker** using **Flutter**  
A mobile app to track daily expenses and show weekly expense bars.
- **Customer Billing System** using **c++** and file I/O  
A console-based C++ project that implements the billing system of a store.

## VOLUNTEERING EXPERIENCE

---

- **Assistant General Secretary** (Jan 23 – Present) at **IIUC Competitive Programming Society**
- **Competitive Programming Trainer & Mentor** (Jan 2022 - Present) at **IIUC Competitive Programming Society**
- **Problem Setter/Tester** at Several Junior Programming Contest
- **Teaching Assistant** (June 22 - Present) at **International Islamic University Chittagong**
